INFORMATION LETTER

On March 31, 2021, JSC «International Information Technology University» holds the 2nd International student scientific and practical conference "**Youth digital forum YDF-2021**".

The purpose of the conference: development of research potential in the younger generation. Within the framework of the conference, it is planned to discuss achievements, innovations and practical issues of the application of modern information and communication technologies in various fields.

The conference consists of the following tracks:

Track I «Software engineering and knowledge engineering»

Track II «Information and communication networks and cybersecurity»

Track III «Smart systems»

Track IV «Mathematical and Computer Simulation»

Track V «Digital technologies in economics and management»

Track VI «Digital Media Technologies»

Track VII «World of language: theory, practice, innovation »

The conference is open for students, graduate students of all universities.

To participate in the conference, you should send the following to the conference organizing committee (darystan@iitu.edu.kz) by March 15, 2021:

- application for participation in the conference (the form is attached);
- article for publication (from 3 to 6 pages);
- recommendation of the scientific advisor, signed and certified by the seal of the organization (attached as a separate file).

Within 3 working days after receiving the materials, the author is sent an email notification of receipt of the materials, and within 10 working days – a notification of the results of their review.

Registration fee for participation in the conference: for students of the International Information Technology University - free of charge; for participants of third-party organizations - 2500 tenge.

Requisites for payment of the registration fee:

АО «Международный университет информационных технологий»

БИН: 090440001325

АО «Народный Банк Казахстана»

ИКК KZ926010131000124681

БИК HSBKKZKX, **marked: "Registration fee for participation in the student conference" YDF-2021 "(indicate the IIN, full name of the participant)".**

ATTENTION!

If you have not received confirmation of the receipt of electronic materials and the results of their review within the above-mentioned time frame, PLEASE contact the conference organizers by e-mail! Otherwise, claims for inclusion of materials in the Conference Proceedings will not be accepted.

The conference organizing Committee reserves the right to reject reports submitted outside the main areas of the conference and to publish abstracts that do not meet the above requirements. The organizing Committee does not suggest editing the text of abstracts.

Materials submitted later than the specified period or not executed in accordance with the requirements will not be considered and will not be returned.

The conference materials will be published after the conference in the «**International Journal of Information and Communication Technologies**» of JSC «International Information Technology University» (ISSN: 2708-2032 (print), ISSN: 2708-2040 (online)).

For more information, please visit the website <https://ydf2021.iitu.edu.kz/>

All inquiries concerning the organization of the conference should be directed to Dinara Arystan, specialist of the Department of Science at International Information Technology University. Contacts: +7 708 603 61 71, darystan@iitu.edu.kz

WINNERS OF THE CONFERENCE awarded with certificates and diplomas

With respect,
The Organizing Committee of the YDF-2021
